

Group Petroleum Services, Inc.

Delivering on Promises

Our Pledge:

Professionalism is GPS' trademark. It is management's unwavering commitment that every employee of GPS will act in an ethical manner, exercise good judgment, show respect and deliver on promises.

About Group Petroleum Services, Inc.

Group Petroleum Services, Inc. (GPS) is a Texas Corporation with 35 years of experience in the gasoline and diesel freight delivery business. We are people dedicated to meeting the transportation needs of our customers in a safe and effective manner, on-time and for a commercially economical price. Service is our only product. Safety is foremost in our operations. We firmly believe that our customers deserve quality and value.

Our service delivery areas are defined by customer demand. Current operations include the States of: Texas, Mississippi, Alabama, Louisiana, Arkansas and Oklahoma.

Our fleet is new, with approximately 20% of our tractors replaced each year. The Company has an active preventative maintenance program to ensure that every truck and trailer unit that leaves our yard is road worthy.

GPS has an excellent safety record. Our employees are trained in the nationally recognized Smith System Advanced Safe Driver program.

The Company dispatches 7 days a week, 365 days a year. Our freight rates are commercially economical and value-priced. The success of GPS is measured on every load hauled.

GPS delivers on promises.
